Queen Annès County Maryland

Marriage Licenses 1817-1858

Compiled by
Raymond B Clark
and Sara Seth Clark

About the Compilers:

SARA SETH CLARK (Mrs. Raymond B. Clark, Sr.)

Native of Eastern Shore of Maryland. Born and educated in Talbot County, she is the daughter of the late Dr. James and Julia Taylor (Orem) Seth, of "Emerson Point," McDaniel, and a niece of the late Gen. Joseph B. Seth, of Easton. For many years active in civic and church groups, she is an authority on the Eastern Shore of Maryland history and genealogy and has written articles and lectured on these subjects. She belongs to several genealogical and patriotic societies, among them, the Old Kent Chapter Daughters of the American Revolution, the Maryland chapter of the National Society Daughters of 1812, the Maryland chapter of the National Society Daughters and Patriots of America, the Americans of Armorial Ancestry, and the Maryland Genealogical Society.

Long interested in Queen Anne's County sourc records because of the numerous families in her lineage that lived there: Seth, Spry, Earle, Harrison, Mrs. Clark has helped copy these marriage licenses almost as a labor of love. She has been Assistant Editor of THE MARYLAND & DELAWARE GENEALOGIST, a quarterly genealogical magazine edited and published by her son, since September of 1959.

RAYMOND B. CLARK, JR.

Born in Talbot County, Maryland (the neighboring county to Queen Anne's), the son of Raymond B. Clark, Sr. and Sara Seth Clark, Mr. Clark received his A. B. degree with honors from Washington College in Chestertown, Md. in 1948. Since then he has received a Master of Arts degree from the University of Pennsylvania in history, a Master of Arts degree in Early American Culture from the University of Delaware (was a Henry F. DuPont Winterthur Museum Fellow), and a Master of Science degree in Library Science from Catholic University.

Mr. Clark has been on the faculties of Yale University and of the University of Virginia, and on the staffs of the Historical Society of Pennsylvania in Philadelphia and of the Library of Congress, in Washington, the latter as Supervisor of the Local History and Genealogy Room. Mr. Clark is on the Council of the National Genealogical Society, is currently Chairman of the History and Archives Committee, was formerly elected First Vice President, and also served for one year as Acting President.

In addition Mr. Clark belongs to several professional organizations and genealogical and patriotic societies. Among them are the Maryland Historical Society, the Historical Society of Delawage, the American Historical Association, the American Association for State and Local History, the National Trust for Historic Preservation, Special Libraries Association, the English-Speaking Union, the National Society Sons of the American Revolution, and the Society of the Ark and Dove. Since 1959 he has edited and published with the able assistance of his mother, Sara Seth Clark, the quarterly genealogical magazine, THE MARY-LAND & DELAWARE GENEALOGIST. Mr. Clark has published over twenty articles, monographs, essays and book reviews in scholarly publications or journals. He wrote the chapter on Queen Anne's County for the 3-volume work The Eastern Shore of Maryland and Virginia.

HEMSLEY'S FORTUNE FARM

Queenstown, Maryland April 18, 1963

Mr. Raymond B. Clark, Jr. P. O. Box 9394
Mid City Station
Washington 5, D. C.

1235177

Dear Mr. Clark:

My congratulations to you and your mother, Mrs. Sara Seth Clark, on the publication of this, the earliest volume of "Queen Anne's County, Maryland, Marriage Licenses, 1817-1858." Your untiring efforts in compiling and publishing such an exhaustive span of years into one separate work will be of lasting interest to all and a valuable source of information and reference, not only to the Queen Anne's County Historical Society but to historical societies and other organizations throughout the States of Maryland and Delaware.

To compile some 2500 names, with an index to wives as well as husbands, is indeed a laborious undertaking. Queen Anne's County, with its early history and its geographically central location, is an important and interesting beginning in tracing Eastern Shore of Maryland and Delaware families. I hope that the completion of this volume will be an encouragement to others as well as to you and your mother to continue and to follow this with volumes throughout the two-state area.

Most sincerely,

Frank S. Dudley, Jr.
President, Queen Anne's

County Historical Society

FSDJr/rms
